

CDER

CENTRE FOR DEVELOPMENT AND ENVIRONMENTAL RESEARCH

வளர்ச்சி மற்றும் சுற்றுச்சூழல் ஆராய்ச்சி நிறுவனம்

(Unit of Green India Trust - Regd. NO 375/2005 | Regd. Under NITI Aayog, Govt. of India)

The Trust

Green India Trust, a non-governmental organisation, is a charitable trust registered in 2005. It is also registered under NGO-Darpan-NITI Aayog, Government of India. Under the aegis of the trust, a research institute namely, Centre for Development and Environmental Research (CDER) has been established. The trust is managed by the governing body consisting of trust member from different walks of life committed towards social service activities.

Development With Sustainable Environment

CDER

Centre for Development and Environmental Research is an Applied Economics and Interdisciplinary Research Institution. Major research thrust will be on Developmental issues and environmental challenges and Management. The founders believe in the concept of Economic Development with sustainable environmental resources and to make use of natural and environmental resources considering it as a precious treasure in the production process. It is also committed to disseminate the concept of , “Nature gives everything for our need but not for our greed” .

To achieve the objectives and to carryout the programs in a more scientific and reliable manner, a team of advisory board and visiting professors have been invited and now they are part of CDER. Those scholars are from GIDR, NIEPA, IIFT, ISEC, Jamia Millia, Bharathiar University, Lovely Professional University and Annamalai University. Recently CDER has signed MoU with National level premier institutions to associate in the academic and research activities.
